

2010 IBC Education Foundation Scholarship Application Sponsored by Colorado's Independent Community Banks and the IBC Education Foundation

The IBC Education Foundation will award at least two (2) \$1,000 one-year scholarships, which will be applied to the cost of tuition, fees and books at a **Colorado** public or private university or college, junior or community college or vocation/trade school. In 2009 the IBCEF was able to award 2 scholarships. Payment will be made directly to the school following enrollment and after classes have begun. This is a statewide scholarship contest.

Eligibility

Students must be a full-time high school senior attending high school in Colorado. Students must have applied to and will attend a **Colorado** public or private university or college, junior or community college or vocational/trade school. The student or his/her parent(s) or guardian(s) may not be an employee of the IBC Education Foundation, Independent Bankers of Colorado, Independent Bankers Network or IBC-Insurance. **In addition, due to the far reaching possible ramifications of Amendment 41, Ethics in Government, that amended Colorado's Constitution, if the student or his/her parent(s) work for any city, state or county office, you may not be eligible for this scholarship contest if the Colorado General Assembly does not pass clarifying legislation. Before applying, please consult with your trusted advisor on this issue.**

Student must attend a **Colorado** public or private university or college, junior or community college or vocational/trade school.

Selection of Scholarship Recipients

The IBC Education Foundation's independent committee will review all applications from IBC member banks and select at least two scholarship winners. Winners will be announced in late April 2010. The scholarships will *not* be based on financial need but on the quality of the application, references and essay response.
